To ensure our public toilets are COVID-safe they will all have an enhanced cleaning routine as well as hand sanitisers in place, however this has meant they are open on reduced hours. All these facilities are open 10am - 5pm. (St.Pauls Toilets remain closed at this time)

We have in addition the 24 hours Automatic Public convenience at Addison Howard Park and Bedford Park, with an entry cost of 20 pence. There will also be signage to remind people of the importance of good hygiene and social distancing.

Please note: opening and closing times are subject to change
