

On Street Parking

Permit Holders Information

Business, Healthcare and Discretionary permit holders may park within any pay-and-display or permit holders bay within the whole of the CPZ.

Resident Permit Holders may park within any pay-and-display or permit holders only bay within their permitted parking zone, shown on the face of the permit.

Blue Badge Holders may park free of charge and without time limit in any pay-and-display bay, disabled bay or permit holders only bay within the CPZ.

Maximum Stay

Pay and display bays within the CPZ have an allocated parking time allowance applied. There are signs within the street advising motorists what the maximum parking period is within the specific bay. Please observe the signs. If you believe that your duration of stay will be longer than that which is permitted within the parking bay, then we advise that you find an alternative parking space or car park. You are not permitted to extend your duration of stay by purchasing another ticket.

Controlled Parking Zone

The Bedford **Controlled Parking Zone (CPZ)** is an area where parking regulations have been introduced to deal with a range of parking problems. Designated parking bays are provided with signs indicating their use.

Yellow line restrictions – single and double - apply outside the designated bays. Enforcement of the bays and lines is carried out by the Council's civil enforcement officers. Only a vehicle displaying a parking permit, a valid pay-and-display ticket, a Visitor Voucher or a Disabled Badge can park in the designated bays.

Resident/Pay-and-Display Bays

In these bays you may park while displaying a permit, a pay-and-display ticket, a Visitor Voucher or a Disabled Badge.

Permit Only Bays

In a few areas pay-and-display tickets cannot be bought and parking is restricted to holders of permits, Visitor Vouchers or Disabled Badges.

Special Bays

There are a variety of bays reserved for specific road users, such as Orange/Blue Badge Holders, motorcycles, buses/coaches, and taxis.

Please refer to terms and conditions printed on pay machines. Failure to comply with the conditions of use may result in the issue of a penalty charge notice to your vehicle.
