Business Parking Permit
Guidance Notes and Application Form

A – Your entitlement to a Permit

You are entitled to purchase a Business Permit if your business operates from an address within the Controlled Parking Zone (CPZ), would benefit the operational needs of the business and would not be used for employee parking on-street.

The vehicle can be a passenger vehicle or a goods vehicle.

The Council reserves the right to impose conditions where vehicles park overnight.

Additional permits will each require a separate application form but please note that Business Permits are issued at the Council’s sole discretion.

You have the right to appeal in the event of the Council refusing your application for a Business Parking Permit.

Proof of the business address and vehicle ownership must be provided with your application.

B – Conditions of Use

For the permit to be valid, it must be attached to the inside of the windscreen so that the details can be seen from the outside of the vehicle.

The issue of a Business Permit is to assist in the operational needs of businesses based within the CPZ. It is not intended to provide all day on-street parking for employees of the business.

The permit allows the vehicle to park for up to 4 hours within a marked pay-and-display or permit holder bay in the CPZ. Vehicles are not permitted to return within one hour of leaving the street.

The permit does not allow parking on yellow lines, footways and verges, in car parks, taxi ranks, disabled bays or loading bays. If you do, you risk being issued with a Penalty Charge Notice. Currently the charge is up to £70 reduced to 50% if paid within 14 days.

If this permit is lost, you should inform Bedford Borough Council immediately to arrange for a replacement. An administrative charge will be applied.

The permit must be returned to the Council if your business changes address.

The Council reserves the right to withdraw a permit in the event of misuse.
C – Permit Period & Cost

Permits are valid for 12 months. All permits will commence on the first day of the month in which the application is made unless a later start date is requested.

The cost of the first authorised permit is £180. Each additional authorised permit would be £250.

D – How to Apply

Please complete the application form and attach the relevant documents.

Your application must also be accompanied by a letter written on company headed paper and signed by the Company Director or your manager, explaining how the Business Permit would benefit the operational needs of the business.

The form and all documents should be returned to Parking Services, Bedford Borough Council, Borough Hall, Cauldwell Street, Bedford MK42 9AP.

E – Proof of Business Address & Vehicle Ownership

You must include proof of your business address and vehicle ownership with your application form. If you do not enclose all the required documents, your application will be returned to you.

Proof of business address.
One of the following documents will be accepted (this will be required for renewals)

- National Non-Domestic Rates Bill. This must be the current year’s bill.
