STATEMENT OF REASONS

The proposal is part of the Borough Wide initiative to introduce lower speed limits in and around residential areas, and is response to a request received from the local Ward Councillors to introduce a 20mph Speed Limit. The proposed Order is considered necessary on the grounds of promoting road safety by reducing the speed of vehicles in built up residential areas.

The reduced speed limit will benefit vulnerable road users such as cyclists. The scheme also meets the aim in the Borough Council Local Transport Plan (LTP3). In particular the policy outlined in the Road Safety Strategy - Action Plan which includes as Action 8 "Investigate and where appropriate install 20mph zones in residential areas and around schools."
