

Data Protection Privacy Statement – Applications for services administered and/or provided by Bedford Borough Council.

In order to deliver services to the citizens and communities in Bedford Borough, it is necessary for the Council to collect, gather and process personal data about residents, staff and other individuals. Bedford Borough Council is committed to protecting your personal data when you use its services and/or correspond with it.

The Council has registered as a Data Controller with the Information Commissioner's Office. This registration can be viewed on the [ICO website](#) (opens in a new window) **Registration Number Z5916725.**

As a Data Controller, the Council sets out the purposes and methods for processing information and ensures safeguards over any personal and special category information it processes.

The sections below explain the arrangements we have in place to protect the information entrusted to the Council.

In relation to Applications for services administered and/or provided by Bedford Borough Council. Bedford Borough Council will process your personal data for the following processing purposes:

Providing personal budgeting support in connection with a Universal Credit claim.

It is processing this personal data by virtue of the following Lawful Basis:

Performance of a contract and performance of a task carried out in the public interest.

Personal data provided for Applications for services administered and/or provided by Bedford Borough Council may be shared with, or obtained from the following organisations (in addition to any other disclosure required by a Court of Law or in response to a valid request by, normally, a law enforcement agency:

- The organisation appointed to provide personal budgeting support on behalf of the Council;
- Department for Work and Pensions.

The processing of your personal data will be restricted in time to:

Three years after the date of provision of the advice.

Your personal data will be held by/for the Council within the UK or the EU.

The information you have provided is a statutory or contractual requirement: this is something we have to do. Please see details below, including any consequences if we do not receive the information:

The provision of personal data is necessary in order to provide personal budgeting advice when it is requested by a person as part of making a claim for Universal Credit.

We have a range of measures to protect the personal data you provide. These include: cyber security; physical security of the Council's buildings and training on Data Protection for staff.

Bedford Borough Council is the Data Controller processing your information, who can be contacted as follows:

Information Governance
Bedford Borough Council
Borough Hall
